

Property Description

#38 Millfield Road is a beautiful 3 bedroom, 3 1/2 bathroom home located in a prestigious residential neighbourhood with commanding country views. This lovely home features high, pickled pine ceilings which serve to open up the feel of the entire house which already benefits from an open plan living and dining area. The patio features a built in bar and flows out to the pool deck where one can enjoy the views from the East to the West coast of Barbados. The house also features roller hurricane shutters for your added protection.

This property is set on an acre and a half of landscaped gardens with mature fruit trees.
