## Property Description

Large parcel of development land in a very central and accessible location adjacent to the South Ridge, Upton and Kent communities. The site is comprised of approximately 66 acres of gently undulating land and will be sold inclusive of permission for residential development. The size and location of this parcel present a number of development options including residential subdivision, the construction of single family dwellings etc. Interested parties are encouraged to contact us for further information including plans, pricing or any other aspect of the property.
