## Property Description

Heron Court in St. James is a development of 28 townhouses perfectly positioned to take full advantage of the stunning beaches on the island's west coast, as well as the amenities of nearby Holetown, with the prestigious communities of Sugar Hill and Royal Westmoreland nearby.

A secure community development on 4.7 acres, Heron Court is an ideal project for investment, featuring 3 bedroom, 2.5 bathroom homes, all with high quality finishes and decorative architectural details. The interior floor space of around 2,000 sq ft has been well thought out and offers open plan living, dining and kitchen areas which flow through to the terrace, with one bedroom on the ground floor and two on the upper level.

These elegant townhouses designed by Ian Morrison are very attractively priced, which includes kitchen appliances, air-conditioning units in two of the bedrooms, some fixtures and fittings, along with ownership of the land on which they stand. In addition, low common expenses make this development attractive to both local and non-resident investors.

Available Units:

3 4564 sq. ft. \$441,000.00

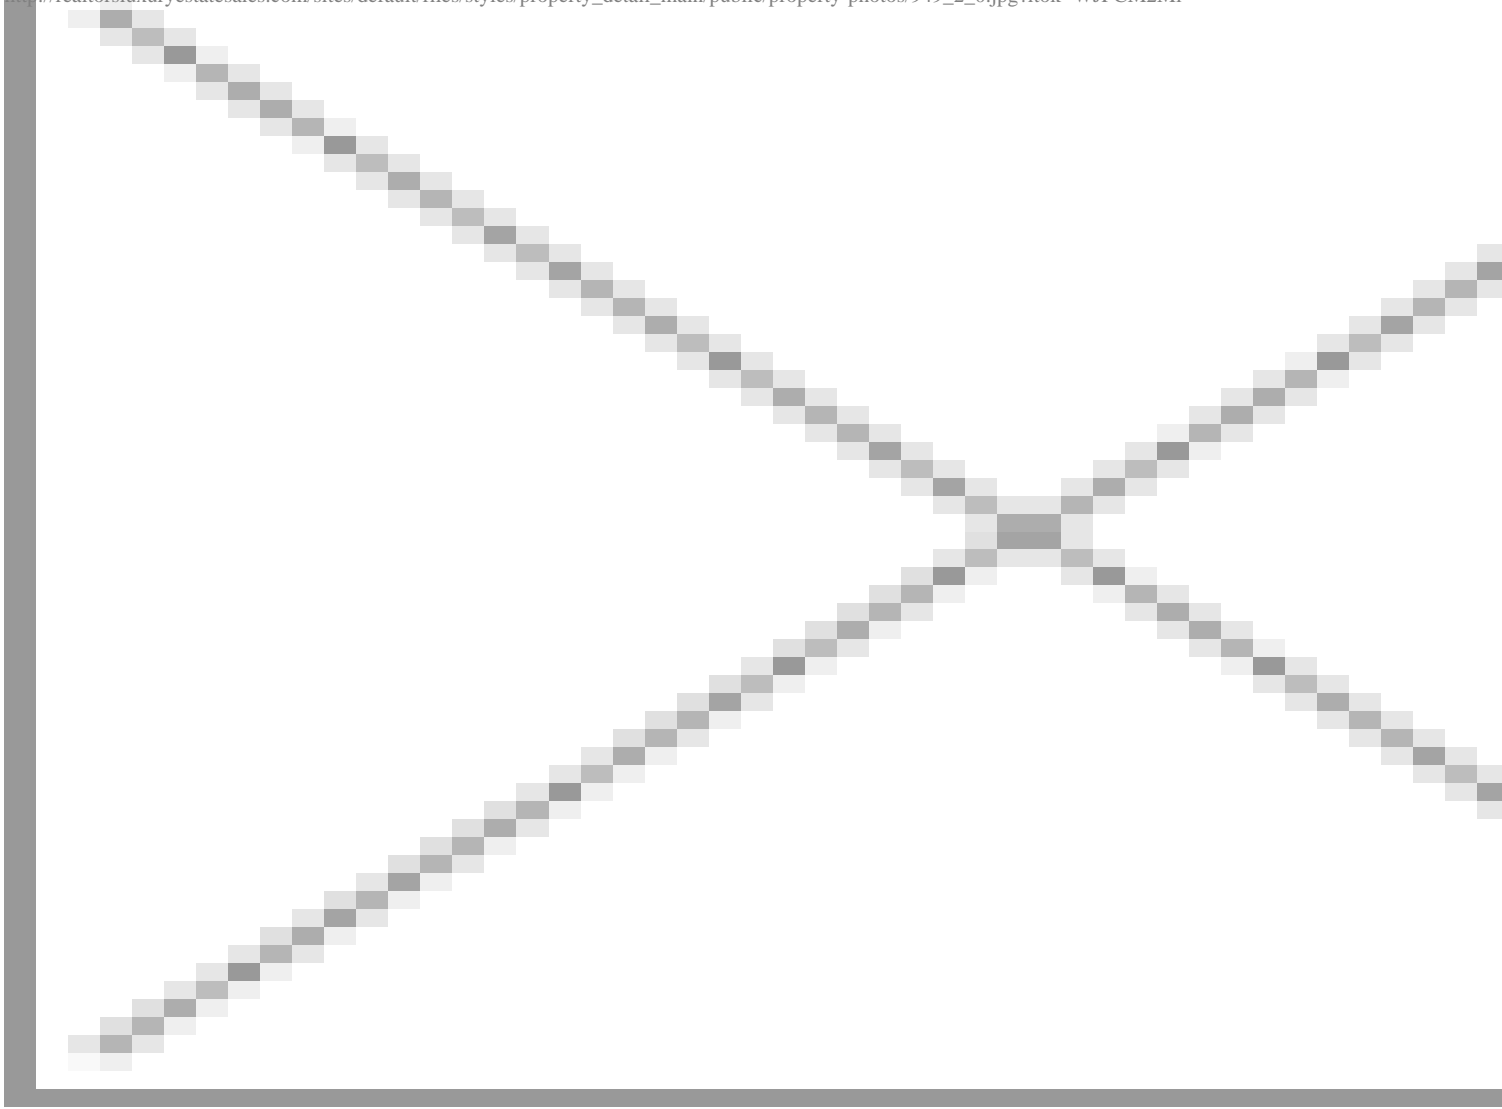

9 4424 sq. ft. \$450,000.00 for rent

The rent includes garden maintenance.
