Property Description

Royal Westmoreland is a 750 acre exclusive 5 star residential resort of grand residences, luxury villas and premier apartments discreetly set around 18 holes of championship world class golf course. Located on the west coast in the parish of St James, to visit Royal Westmoreland luxury golf, beach and spa resort is to experience Barbados at its very finest, living life at its most exclusive. This outstanding Caribbean destination offers a uniquely special blend of secluded privacy within your own elegant villa home combined with all the stylish attractions of a 5 star luxury resort.

In keeping with the beliefs of low density development, a select number of plots, varying in size and locations, are now exclusively available to purchase at this resort.

Bespoke Homes at Royal Westmoreland is a program that allows you to choose the neighbourhood you desire then to choose the parcel of land that feels right in size, views and positioning. Lastly to choose the floor plan and finishes to create your custom built bespoke home.

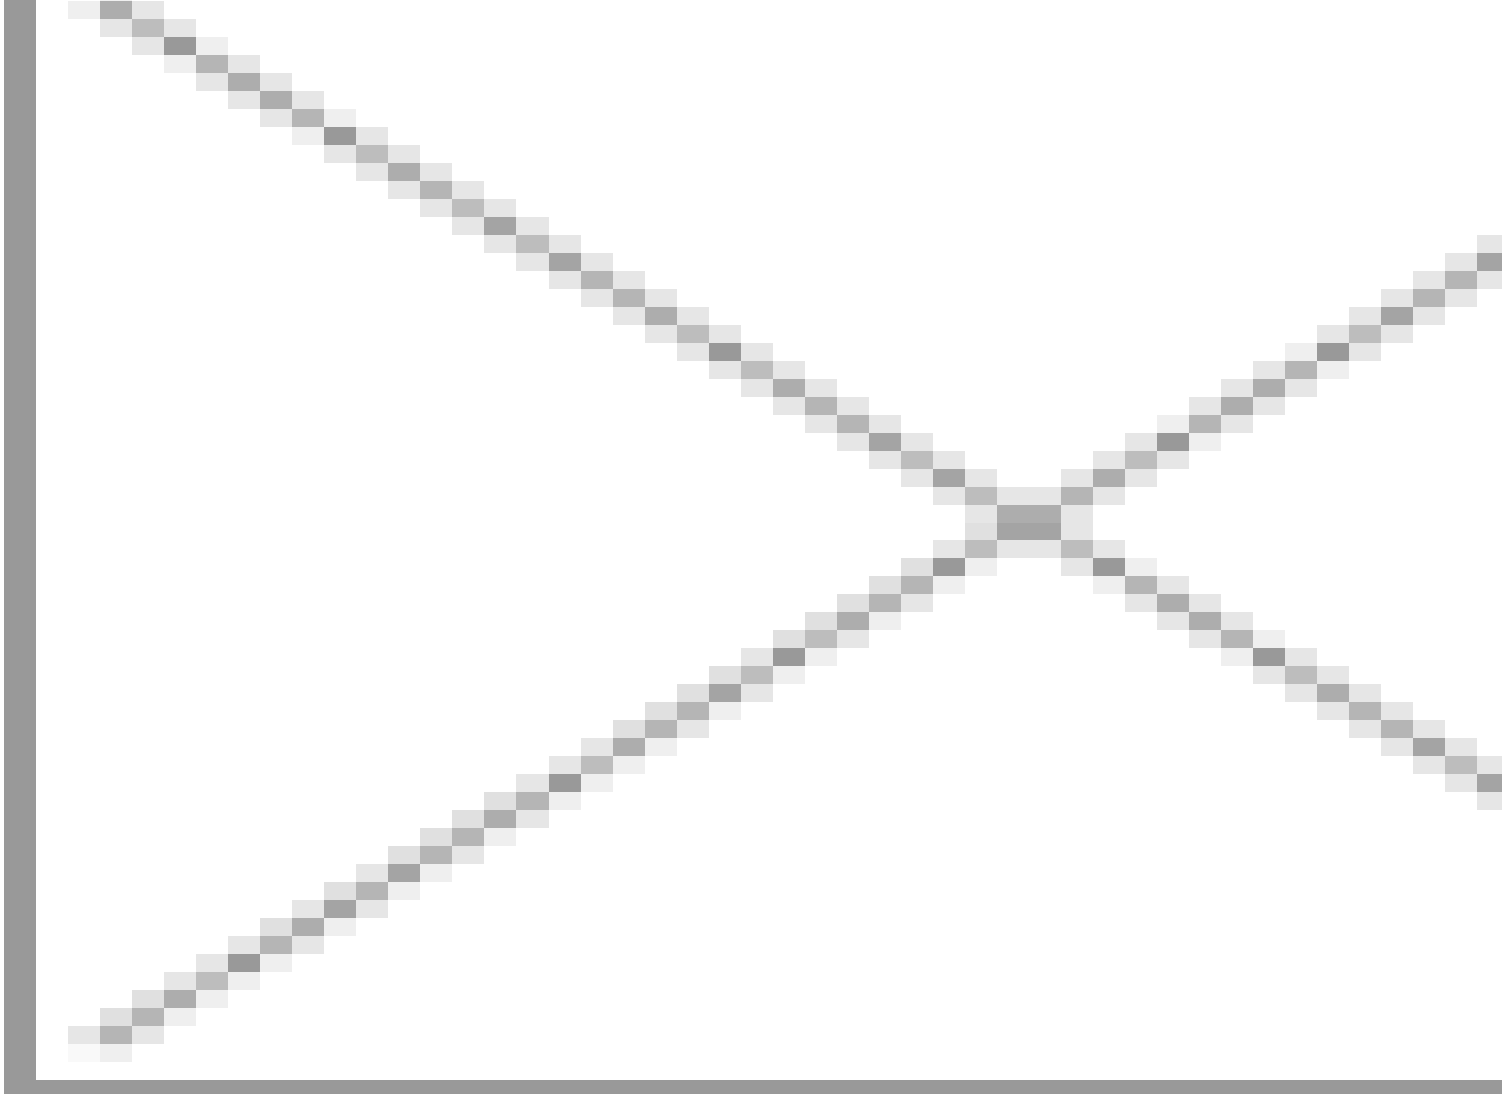

The most sought after addresses on the resort are the land options at Ocean Drive, which offer the features money can rarely buy. These magnificent elevated locations offer outstanding sea views bordering the 13th fairway and are allocated with a view to impressive architect designed villas in excess 5,500 sq. ft.

With 150 homes built on property Royal Westmoreland can take you into completed examples of various floor plans and finishing levels to help you visualize what the finished home will look and feel like.

This program offers the service of full turnkey design, town planning submissions, construction, contractual management, landscape and snagging to allow you to create your dream home at Royal Westmoreland. Supervision of this building process allows the resort to guarantee the quality of construction, the timelines for delivery and to stand behind your home on hand over. Royal Westmoreland offers an array of quality finishes; however you may choose to upgrade any of the finishing levels to suit your individual preferences and style for your new home.
