

Quick Summary

Covered Area:
 2,000 sq. ft.

Property Description

This prime commercial building for rent occupies an extensive corner position in the heart of Bridgetown, next to The Federal BookMakers. It was previously occupied and used as a slot machine arcade but would make an excellent location for offices, and retail accommodation. The single storied subject property currently offers a ground open floor plan with the potential of adding a second floor and/or mezzanine. There are several male and female bathrooms. Located at the Corner of Hincks Street and Cowell St., it has entrances on both streets, and it is just steps away from two large parking lots making it an ideal location.

Property Type:
