Property Description

An Elegant, traditional country residence at Jordans, St George, just one of a few remaining and currently enjoyed as a gorgeous family home. Standing on 1.47 acres of beautiful tropical grounds with magnificent, ancient trees, there is also a windmill and water well (not currently in use). This residence features an impressive living/dining great room of 25'6" x 21' with french doors onto wide L-shaped informal sitting area and out to a grand 657 sq ft covered patio. There are 4 large bedrooms, 2 bathrooms (both en suite) and a powder room off of the 28' x 13' kitchen/breakfast room. Jordans has exceptional ceiling heights of 10'8" in the east wing to 13'6" in the great room. The basement +/- 1,500 also has 8' ceilings. 5W PV System installed. The 2,790 sq ft barn accommodates the laundry and garden storage with potential for much more. With just two neighbours and surrounded by unspoiled, agricultural lands Jordans offers exceptional tranquility without isolation. 25 mins to the best west or south coast amenities and 10 minutes to the Charles Row Bridge shops.
