

Property Description

For Sale – The Rock Plantation House is located in St. Peter overlooking the West Coast of Barbados. This charming 5-bedroom family home is being offered for sale unfurnished and offers buyers the opportunity to own a traditional Barbadian plantation home with all the amenities of the 21st century.

This two-storey property features 5 bedrooms and 4.5 bathrooms and benefits from having two master bedrooms. All the bedrooms have been updated and benefit from air conditioning, large closets, high ceilings and in some rooms private reading nooks.

The expansive kitchen has been updated and features top of line appliances and finishes allowing owners to cater for large functions. This is mirrored by the large formal dining as well as multiple entertaining spaces which can be found around the home.

The house flows beautifully through the various living spaces and out on to the large pool deck and entertaining area which has two large, covered terraces and an infinity pool perfect for swimming and enjoying some of the best sunsets in Barbados.

The property is full enclosed for added security and comes with a backup generator, water tank with pump and Photovoltaic Solar System. There is also a large terrace of land which is included with the purchase and offers a prime spot for future development or expansion with the same beautiful sea views.

The Rock Plantation truly is a wonderful property and has a prime location just minutes drive from Speightstown, Holetown and Warrens. With its amazing views, rich history and classic yet modern style this property is a much see for anyone interested in owning a piece of Barbadian History.
